## JOHN D. POIST NEW PRESIDENT OF CO. FIREMEN

John D. Poist, chief of the Cone-wago Fire Co., and vice president of the Adams County Firemen's Association, was elected president of the latter organization at the afternoon session of the 30th annual convention at New Oxford Monday.

More than 150 delegates, alternates and firemen from 23 of the 25 fire companies in the county attended the session, which featured addresses by Fire Chief Frank Dean, Lancaster; Chief Ellis Wagner, York, and Atty. Jesse L. Crabbs, Hanover, and a report on fire losses in the county by County Fire Marshal John Murren, Centennial.

The only contest in the election of officers was for the position of vice president, and for the first time in the 30-year history of the association, the balloting for this post resulted in a tie. The two candidates were R. Dale Guise, president of the Biglerville Hose and Truck Co. No. 1, and Richard J. Neiderer, president of the Bonneauville Community Fire Co.

**President Breaks Tie**  
The tie was decided by President Charles Bretzman, Bendersville, who voted for Guise.

Officers of the association re-elected were: Secretary, Roger Myers, Fairfield; treasurer, Edward G. Loeffel, Littlestown; chaplain, the Rev. Robert Schiebel, Arendtsville; Fire Marshal John Murren, Centennial; Henry Waltman, Littlestown, was elected trustee to succeed George D. March, Gettysburg. Other trustees are E. D. Bushman, Arendtsville and Charles Gulden, Aspers.

The new president, John Poist, was elected delegate to the State Firemen's Association, with Glenn Ohler, Littlestown chief, as alternate. Harry Biesecker, Cashtown, was elected delegate to the Firemen's Association of Southeastern Pennsylvania, with J. Faber Wildasin, Abbottstown, as alternate.

Mr. Crabbs was the principal speaker at the afternoon session.

**Freedom To Work**  
"It is appropriate that an organization such as this meets on Labor Day, a date set aside to honor the ordinary man," Mr. Crabbs said. "Freedom and responsibility go hand in hand. They are like yam and peas. If you kill one or the other, the other soon dies too."

"Our way of life is based on the freedom of the individual to work and gain property. It is the responsibility of the fire companies to protect such property. You stand

## COUNTY WOMAN HURT IN CRASH

Mrs. Hugh Scott, 63, of Knoxlyn, injured in an automobile accident Sunday afternoon on the Lincoln Highway a short distance west of Caledonia, was reported in satisfactory condition today in the Chambersburg Hospital, where she was taken by ambulance following the accident. She suffered a fractured vertebra.

An automobile operated by her husband, Hugh Scott, skidded on the wet highway and turned over on its side in a ditch, according to state police of the Chambersburg station. The car was traveling west. Mr. Scott and his daughter, Miss Margaret Scott, were not injured.

Because of Mrs. Scott's back injury, considerable difficulty was experienced in removing her from the car. The ambulance driver crawled into the automobile and supported Mrs. Scott in his arms while more than a dozen men righted the car.

## Yale Theologian To Address Pastors

Dr. H. Richard Niebuhr, prominent American theologian, will be the inspirational leader of the annual Pastors' Retreat at the Mercersburg and Potomac Synods of the Evangelical and Reformed Church. The retreat will again be held at Camp Michaux, near Pine Grove, Thursday and Friday.

Dr. Niebuhr is professor of Christian Ethics at Yale University Divinity School, New Haven, Conn., and is widely known as a preacher, lecturer and conference and retreat leader. He will speak three times at the retreat.

Those pastors who have not yet registered are urged to do so by contacting the Rev. J. Keller Brantley, Westminster R. 2, registrar of the retreat.

The Churchmen's Brotherhood Retreat will begin Friday, September 5, immediately after the Pastors' Retreat adjourns and will continue through Sunday afternoon. Dr. Niebuhr will also address that retreat, which is held for the benefit of the laymen of Potomac and Mercersburg Synods. The pastors are invited to remain for the laymen's retreat.

## New Biglerville Church Dedicated

The Rev. Dr. George E. Epp, Harrisburg, bishop of the eastern area of the Evangelical United Brethren Church, was the speaker at the dedication services of Centenary EUB Church, Biglerville, Sunday morning.

Bishop Epp declared that there were "three indispensable stones" in the building of a church, faith, hope and love.

The dedication day offering was \$5,200, and the pastor, the Rev. Laverne Rohrbaugh, announced that total contributions to the dedication campaign were \$14,432. The goal was \$10,000.

One hundred and ninety-six persons attended the dedication services.

## POLICE PROBE 2 ACCIDENTS ON LABOR DAY

Only two minor automobile accidents were investigated by state police of the Gettysburg substation on Labor Day.

An automobile operated by George F. Shelleman Jr., 35, of Gettysburg R. 1, was struck on the Harrisburg Rd. seven and a half miles north of Gettysburg at 10:30 a.m. Monday by a car operated by Ronald E. Ward, 17, of Columbus, Ohio.

State police said Shelleman was turning left into a private driveway and failed to give a signal. Both cars were traveling north, and the Ward car struck Shelleman's vehicle as the latter turned, police said. Damage to Ward's car was estimated at \$300 and to Shelleman's car at \$15. No one was injured.

Cars operated by Larry W. Showers, 18, of Biglerville R. 1, and Emerson Cobb, 57, of White Plains, N. Y., figured in an accident at the intersection of Routes 34 and 396 in Biglerville at 3:45 p.m. Monday, police said. Showers, according to police, drove to the left at the intersection and struck the Cobb car. The latter struck a parked truck owned by Lewis Warren, Aspers.

Damage to the Showers car was estimated at \$15; to the Cobb car at \$75 and to the truck at \$20. No one was injured.

## Mrs. Howard Starnier, Mt. Joy Township, Dies

Mrs. Mildred C. Starnier, 49, wife of Howard M. Starnier, Mt. Joy Twp., died at the Warner Hospital this morning at 2:15 o'clock of complications following an illness of a year and a half.

A native of Adams County, she was a daughter of Mrs. Mary Crabbs Deatrick, Gettysburg, and the late George M. Deatrick. She and her husband wed in 1919.

Surviving are three children, Mrs. George D. Flickinger, Gettysburg R. 3; Mrs. Wayne Record, Orrtanna R. D.; and Floyd H. Starnier, Gettysburg R. 1; ten grandchildren and the following brothers and sisters, Mrs. Harry Mori, Gettysburg; Mrs. Raymond Myers, Collinswood, N. J.; and George M. Deatrick, McSherrystown. Funeral services Thursday afternoon at 2 o'clock from the Bender Funeral Home with the Rev. Charles E. Held officiating. Interment in Evergreen Cemetery. Friends may call at the funeral home Wednesday evening after 7 o'clock.

## New Fish Warden For Adams County

Paul Martin Jr., of Shippensburg, has been appointed new fish warden of York and Adams counties, and will serve in that capacity under the supervision of John Ogden, former county fish warden who has been promoted to district supervisor of the Southeastern division.

Martin's appointment was effective Monday.

Ogden, a former resident of Gettysburg, now resides in York. Martin is married and served three years with the U. S. Marines in the South Pacific. He has completed a training course at Huntsdale hatchery and also served as deputy game protector in Franklin County under Clinton Ganster, former game protector of York County.

## Week-end Tourist Travel Here 19,299

The three-day Labor Day week end saw a total tourist visitation in Gettysburg of 19,299, according to John Riddle, superintendent of the Gettysburg National Cemetery.

Rain fell most of Monday morning, but clearing skies brought a large number of visitors in the afternoon, and the day's total was estimated by Mr. Riddle at 4,508. The total for Saturday was 7,056 and for Sunday, 7,735.

**PLAN "PRESIDENT'S NIGHT"**  
"President's Night" will be observed by the Adams County Association of Fire Chiefs at its September meeting, to be held Thursday night at 8 o'clock at East Berlin. All fire chiefs and assistant chiefs who are members of the association are urged to bring the presidents and other officers of their companies to this meeting.

## MISS MEYERS NAMED HEAD OF LUTHER LEAGUE

Miss Dorothy Meyers, Hagerstown, was elected president of the Luther League of the Maryland Synod at the business session of the three-day league convention at Gettysburg College Monday morning. Other officers named were: First vice president, Paul McKay, Baltimore; second vice president, Betty Gebhardt, Washington, D. C.; recording secretary, Barbara Kaufman; statistical secretary, Larry Cameron; treasurer, Ruth Goenour; member at large, William Doeb, Williamsport, Md.

Two hundred and fifty members of the Luther League and guests closed the convention with a banquet in Huber Hall Monday night. New officers were installed and the principal address was delivered by the Rev. Francis E. Reinberger, member of the faculty of the Gettysburg Lutheran Theological Seminary.

**Synod President Speaks**  
The Rev. Dr. J. Frank Pife, president of the Lutheran Synod of Maryland, extended greetings and commended the league as "a powerful term, working together to achieve great goals."

The Rev. Mr. Reinberger attended the Lutheran World Federation conference in Hannover, Germany, this summer, visited the Church of St. Michael's, built about 1000, for a youth meeting and attended other church functions in Germany. He told of the enthusiasm of the German youth, meeting in a church almost destroyed during the war.

"When people are willing to profess their faith in Christ, God, with the help of men like you and me, will save the world," he said. In describing conditions as he found them in Germany, the speaker said: "We can have no idea how wonderful it is to be an American and a Christian. In Elsen there is a transient camp, still growing despite the Russian Iron Curtain. Many of the people are separated from their families. To remain they must prove they are in great danger or they must go back to the Russian zone. Rather than return they will live in the ground and eat roots and berries."

"If you and I, free American citizens, are willing to give ourselves to God's will, we may not become rich, but will become the happiest souls that walk the earth. It is in the hands of the younger generation. If you are willing to give yourselves to Him, and if we gather all this power together, the world will become free of such things as happen in Europe."

## ITEM, WEEKLY, EXPANDS AREA

Beginning with this week's issue, the East Berlin News-Comet will be consolidated with the New Oxford Item. The News-Comet office at East Berlin has been moved to Abbottstown Street Extended.

This announcement coincides with the merger of the York Springs News-Comet section with The Gettysburg Times.

The consolidation will make possible better service in news content and advertising value and will avoid duplication of effort in two towns only six miles apart. News of both communities from now on will be carried in the one publication.

"The proposed consolidation was decided upon after due consideration, and readers and advertisers may rest assured that every effort will be made to continue to give eastern Adams County a splendid community newspaper," said Henry J. Smith, editor of the New Oxford Item.

## Property Transfers

Edward and M. Grace Vincent, Butler Twp., sold to Ida Hickman Phillips, same place, a property in that township.

## South Mountain Fair Opens This Evening For 29th Year

The 29th edition of the South Mountain Fair will open this evening at 6 o'clock at the fairgrounds near Arendtsville.

But while the official opening does not come until 6 o'clock, the fairgrounds were a beehive of activity today as hundreds of exhibitors, and at least 100 members of various committees swarmed through the grounds to place the thousands of displays, decorate the stands and otherwise get the fair in readiness for the sessions extending through Saturday.

Some of the displays were already in place this morning. The ornate department, headed by Mrs. Guy Herring, Mrs. Marshall Longenecker and Mrs. Richard Trostel was at the fairgrounds Monday evening to accept the culinary displays.

**To Hear Mountain Music**  
In contrast to previous years in which one day was set aside as school day at the fair, practically every day will be school day this year. School children will be admitted to the grounds free of charge until 4 p.m. each day, Wednesday through Friday.

The change was made because of the practical impossibility for all children to attend on a specified day. Parents will probably bring many of the children to the fairgrounds Wednesday; some schools may make arrangements to take the youngsters to the fair Thursday, the opening day of the public schools in the county; and the high school students, members of the Future Farmers of America, will be at the fairgrounds in full numbers on Friday—FFA day at the fair.

Mountain music will fill the mountain air at the fairgrounds this year, with the 101 Ranch Boys presenting folk, western and mountain songs twice each day in the free entertainment programs at 2 and 7:30 p.m. The first performance by the 101 Ranchers is scheduled for this evening at 7:30 o'clock.

## Horse Show Saturday

Scheduled for 2:30 and 8 p.m. each day, with the exception of today, is the Broadway Review, a program featuring outstanding stage acts, to be held in the auditorium at the fairgrounds. Only one performance will be presented today, at 8 o'clock tonight.

Saturday's big event will be the horse show, which this year is attracting the largest number of entries in its history. The horse show will start at 10 o'clock Saturday morning in a new ring prepared

for the event, and will continue through the afternoon.

The commercial displays are to be the largest in history. Hundreds of articles of farm machinery were moved into the fairgrounds Monday and this morning. Automobiles, the latest models of all makes, were being backed into position for the exhibits.

While the finishing touches were being put to the fair today, much of the actual work in setting up the fair was performed between downpouring rains Monday.

What was described as the largest force of volunteer workers in the history of the fair gathered at the grounds and, generally ignoring the rain, worked on throughout the day and far into the night to get everything in readiness. By the time the lights came on in the ferris wheel at midnight, most of the decorating at the other parts of the fairground was completed.

**No Mud At Fairground**  
The rain Monday gave proof that the fair's program of placing stone and using chemicals to dry the area in event of rain is working successfully. The additional stone was placed several weeks ago; Monday truckload after truckload of chemicals were dumped through the fairgrounds and by midnight the earth was dry, despite the rain. As a result the fair officials were certain that the mud—no matter how heavy the rain—is a thing of the past at the fairgrounds.

## Arrest Countian In Frederick Assault

Frederick police early Monday morning arrested a Gettysburg R. 4 resident and charged him with assault and battery on a Frederick man.

Held in jail under \$500 bond is Donald Wayne Miller, 23, Gettysburg R. 4. He is charged with committing an assault on Bernard William Sutely, 22, Frederick, on Thursday evening.

Stutely told police that he was walking up South Market St., Frederick, when a man tapped him on the shoulder and struck him beside the head. After he was knocked to the pavement, Stutely said he was kicked about the head and body. The alleged assault occurred about 11:40 p.m. Thursday.

Officer Bernard King made the arrest.

## 300 TEACHERS GATHER TODAY FOR INSTITUTE

Approximately 300 Adams County teachers, including about 40 who have retired after many years of teaching, gathered today at the Gettysburg High School for the 96th annual institute held in the county.

The two-day program got underway at 9 o'clock this morning with County Superintendent of Schools J. Floyd Slaybaugh presiding. Donald V. Hock, former mayor of Allentown and now an attorney there, was the principal speaker at the opening session of the institute. He had as his subject, "The Nine Promises of a Good Citizen."

Much of the morning was given over to departmental meetings with various authorities from the state Department of Public Instruction and nearby colleges serving as discussion leaders for the groups.

## Hold Group Meetings

County teachers and school administrators presiding at the departmental sessions this morning included Leslie V. Stock, supervising principal of the Upper Adams Joint School System, who presided at the meeting of the secondary principals and teachers; L. M. Bosserman, Arendtsville principal, who presided at the meeting of elementary principals and grade teachers; Miss Margaret M. Brant, supervisor of home economics, who presided at the home economics teachers meeting; Charles I. Raffensperger, assistant county superintendent of schools, who was in charge of the meeting of the teachers interested in special education and the school nurses; Richard C. Lighter, county supervisor of agricultural education. (Please Turn to Page 3)

## 1,500 PAROCHIAL CHILDREN BEGIN LESSONS TODAY

More than 1,500 children resumed school today with the opening of parochial school throughout the county.

Three hundred and seven children, 167 boys and 140 girls, began classes at St. Francis Xavier Catholic School here this morning. Of that number 50 were first graders, 29 boys and 21 girls. While the total enrollment was about the same as that at the close of school last year, the first grade was much larger. Last year there were 36 in the primary grade.

At St. Joseph's Parochial School, Bonneauville, 146 youngsters reported today, of whom 26 were in the first grade. Both the first grade and total enrollment were higher than last year.

**Record At Delone**  
St. Aloysius' School at Littlestown reported 100 students, of whom 17 are first graders. The enrollment is (Continued on Page 2)

## FIREMEN WIN PARADE PRIZE

The Gettysburg Fire Department added another prize to its long list of summer winnings at New Oxford on Labor Day, when it was awarded first prize of \$75 for the most men in line with music and apparatus in the parade which concluded the 30th annual convention of the Adams County Firemen's Association. This brings to \$1,020 the amount of money won by the firemen in parades this summer.

Gettysburg had 39 marchers in line. The Blue and Gray Band accompanied the firemen in the parade.

The Fairfield Community Fire Co. was awarded a prize of \$15 for the best appearing apparatus in the parade. The Taneytown American Legion won \$50 for the best drum and bugle corps and Stewartstown Fire Co. \$15 for the company coming the longest distance.

The New Oxford High School Band led the parade, which formed at 4 o'clock at the high school, moved on Lincolnway East through the square, on Lincolnway West and back to the square and disbanded at the New Oxford fire hall.

Parade Judges were Ellis Wagner, York fire chief; Frank Dean, Lancaster chief; and Neal Bowen, Abbottstown, Nathaniel C. and Curvin Miller were parade marshals.

## DAC Chapter To Hold 1st Meeting Monday

The first fall meeting of the Manor of Maske chapter of the Daughters of American Colonists will be held next Monday evening at 7:30 o'clock at the home of Miss Mary Bilheimer, 109 W. Broadway.

Dr. C. A. Sloat of the Gettysburg College faculty will be in charge of the program. His subject will be "Daguerotypes."

Hostesses for the meeting will be Miss Bilheimer, Miss Anna Black, Mrs. Victor Dutler, Miss Grace Sachs, Mrs. John Huddle, Mrs. G. W. DeFever and Miss Lela Harper.

## Next Blood Donor Day September 26

The next Blood Donor Day in Adams County is Friday, September 26, it was announced today by the Adams County Chapter of the Red Cross.

That visit of the bloodmobile unit from Baltimore will complete the first year of the present blood donor program in this county. The first visit was made last October 19. No visit was scheduled in August. The most recent bloodmobile visit to this county was on July 18.

Blood donor recruitment workers for the Red Cross are getting busy again to line up volunteers in an effort to fill a 150-pint quota September 26. Orville B. Orner, recruitment chairman, said: "The need for blood for our fighting men in Korea continues to be acute. There is no stockpile of blood and the Red Cross is doing all in its power to provide the human blood needed to save lives at the Korean front. We hope Adams Countians will fill their quota this month."

## Here And There News Collected At Random

**Almost 20,000 visitors invaded** Gettysburg over the Labor Day week end but the pesky mosquito overpowered all opposition and held dominant sway throughout the community.

The mosquito nuisance has become so critical that patients at the Warner Hospital have had to battle their way through "swarms" to get some rest. Nurses have been on the run spraying the institution to bring much needed comfort and rest to the patients.

You can look for at least five more weeks of nerve-racking annoyance and health danger from the mosquito unless town council takes drastic action tonight.

Maybe council ought to hold its session outdoors tonight and each member wear tight and be prohibited from smacking the pests.

**At least one out of every six** Americans receives a government check regularly.

Figures compiled by the National Chamber of Commerce's Economic Research Department show that roughly 27,500,000 persons are on the receiving end of federal, state, or local government payments of one kind or another.

The vast majority get checks weekly or monthly. Others, such as farmers who subscribe to the federal soil conservation program, are paid less frequently.

**The Chamber's figures show** that checks drawn directly against the U. S. Treasury now go to about 17,000,000 persons. These include approximately 2,500,000 civilian employees of the federal government; 3,500,000 members of the armed forces; 2,800,000 farmers under the soil conservation program; 2,400,000 (Please Turn to Page 3)

## Accident Victim Is Buried Today

Funeral services were held this afternoon at 1:30 o'clock for Judith Ann Breighner, five-year-old daughter of Mr. and Mrs. William E. Breighner, New Oxford, who died in West Side Hospital, York, Sunday afternoon of a fractured skull and other injuries suffered in an auto accident. The funeral was held at the Fred F. Feiser Funeral Home, New Oxford, with burial in St. Mary's Cemetery, New Oxford. The Rev. Fr. Robert D. Hartnett, pastor of St. Mary's Catholic Church, New Oxford, officiated.

The pallbearers were Philip Crouse, William Weikert, Ronald Becker, Burrell Smith, Philip Beamer and Lester Bucher Jr.

The child was a passenger in a car driven by her mother when the machine skidded, ran off the road and upset on the Lincoln Highway near Pottery Hill. The youngster was thrown out of the car.

## Slight Decline In Marriage Licenses

Twenty-eight marriage licenses were issued by the county clerk of courts during August, bringing to 155 the number of permits to wed granted at the local court house so far this year.

The number compares to 161 issued during the first eight months of 1951.

The 28 granted in August compares to 13 in August last year. The licenses granted in 1952 by month are as follows: January 11, February 14, March 15, April 15, May 19, June 37, July 16 and August 28. The same figures for 1951 were January 12, February 13, March 17, April 12, May 35, June 36, July 23 and August 13.

## APPLY FOR LICENSE

George J. Weaver, New Oxford, and Teresa Mae Gotwalt, Hanover, have applied for a marriage license in York.

## MANSLAUGHTER TRIAL ENDING COURT TERM

The final trial of the August term of Adams County Court was being held today with the involuntary manslaughter-assault and battery by automobile case against David S. Jones, 32, Chambersburg, scheduled to be decided this afternoon.

All of the testimony in the case, which resulted from a fatal accident July 6 at the intersection of the Lincoln Highway and Buchanan Valley Rd., in which Mrs. Stanford W. Weaver, 49, Biglerville R. 1, was fatally injured, was presented to the jury this morning.

At 1:15 o'clock this afternoon the trial resumed with District Attorney Daniel E. Teeter and Defense Attorney Eugene R. Hartman presenting their arguments to the jury. Following the charge by Judge W. C. Sheely, the jurors retired to the jury room to consider their verdict.

## Testimony Conflicting

Jones told the jury this morning that he was approaching the Buchanan Valley Rd. on the Lincoln Highway, headed west, when he was blinded by the lights of several approaching cars. He said he was traveling at about 40 miles an hour at the time. He added that he decided to swing into the Buchanan Valley Road to the south to avoid the oncoming traffic, and that after he had veered to the left he saw the Weaver car in the middle lane of the highway, preparatory to making a turn to the north into the Valley Rd.

There was some conflict concerning how far ahead the Weaver car was when Jones first saw the vehicle. The defendant once said that car was 15 feet away, on another occasion he said it was the length of the court room away. The court room is about 70 feet in length. Jones added that when he saw the Weaver car he "jammed on the brakes but my foot slipped off the brakes onto the accelerator."

And containing other members of woman fatally injured in the crash, 20, Biglerville R. 1, son of the scene of the accident. The Weaver car, driven by Thomas B. Weaver, Had Four Beers

Pauline Brown, Chambersburg R. 4, who was with Jones on the night of the accident, said they had driven to Emmitsburg and then had stopped at a tavern just north of Emmitsburg where she said, "we each had four beers, but we didn't drink all of the last bottle." She said she had developed a headache and had fallen asleep before the accident, "and I woke up in the hospital." She testified that the four beers apparently had no effect on Jones.

Glenn M. Pensinger, St. Thomas, was a character witness for Jones, and the only other defense witness.

The prosecution opened its case with State Policeman James A. Treas who told of going to the (Continued on Page 2)

## CAA PUSHING QUIZ OF FATAL PLANE CRASH

ELMIRA, N. Y. (AP)—Civil aeronautics authorities today pressed an investigation of the crash of a single-engine monoplane which carried five Pennsylvanians to their deaths near here.

The plane, one of three which took off from Hagerstown, Md., enroute to Canada, ploughed into a hillside pasture shortly after refueling at Williamsport, Pa., last Saturday.

Victims of the crash were listed as Elliott Kitchen, 44, Harrisburg, owner and pilot of the craft; Earl W. Lynch, Pottsville; Steve Dowlak, 35, R. D. 1 Jonestown; Charles W. Rock, 45, Fairfield; and Raymond Rose, Selinsgrove.

## Seize Plane Engine

A CAA inspector from Rochester, Robert Deyell, impounded the wrecked plane's engine for a further inspection to determine the cause of the crash, and the remainder of the wreckage was released to the Blue Swan airport at Sayre, Pa.

Witnesses said the Howard monoplane appeared to stall, then floundered and rolled over before it piled into a hillside about two miles south of here.

CAA inspectors surveyed the crash scene extensively but made no statement as to the cause. Chief Deputy Fred C. Duhl of the Chemung County sheriff's office said the refueling stop at Williamsport ruled out the possibility the plane was out of fuel.

## One Reaches Port

From Williamsport, the craft's immediate destination was Buffalo, one and a half hours away for a craft of that type. The crash occurred at 2:20 p. m. (EST), an hour and 20 minutes before the plane was scheduled to land at Buffalo.

Only one of the three planes reached Buffalo, then returned there from Toronto after the crash was reported. The third craft ran into bad weather and returned to Hagerstown while the ill-fated plane and its companion ship continued on to Williamsport.

# DENIES CHARGE HE KILLED HIS PRETTY WIFE

BALTIMORE (AP) — G. Edward Grammer, 35-year-old New York office manager, pleaded innocent today to charges he beat his pretty wife to death and tried to make it look like an automobile accident.

A police magistrate ordered him held in jail until a grand jury considers the evidence, probably tomorrow.

His arraignment—a five-minute formality—produced no testimony so there was still no hint of a motive for the slaying of Mrs. Dorothy May Grammer, 33-year-old Sunday School teacher and mother of three young girls.

Grammer, clean shaven but with dark circles under his eyes, did not speak during the proceedings. His plea was entered by an attorney.

The hefty defendant appeared minus his belt and shoe laces which were taken away from him when he was put in a special cell yesterday at police headquarters.

**Under Constant Guard**

He was put under constant guard after detectives and prosecutors announced he had made a statement Sunday about his wife's death.

She was found dead just after midnight Aug. 20 in the expensive sedan Grammer had given her on their wedding anniversary in June. The car had careened down a steep hill on the northeast edge of Baltimore and sideswiped a tree.

Two policemen in a patrol car happened to see the smashup. Their suspicions were aroused when they found a pebble wedged under the heel of the car's accelerator, jamming it against the floor. Medical experts found the skull fractures which caused Mrs. Grammer's death could not have come from the smashup.

Investigators said Grammer bludgeoned his wife while the car was parked near the top of the hill and then set it to go down the incline.

# Ike Won't Get To Fair This Week

Gen. Dwight D. Eisenhower will be unable to attend the South Mountain Fair, County Republican Chairman John H. Basehor learned today, but there is still a faint possibility that Republican Vice Presidential Candidate Richard Nixon may be able to attend.

Chairman Basehor today received the following telegram from Karl E. Mundt and Charles A. Halleck, co-chairmen of the National Republican Speakers Bureau.

"General Eisenhower has asked me to advise you that he is deeply grateful for your cordial invitation. However, he regrets that his very heavy schedule prevents him from attending to your request. General Eisenhower will be actively campaigning by plane and train and while we know that he would enjoy being with you his schedule will not permit him to accept all invitations. Nevertheless he will visit your state during the coming weeks. Since Senator Nixon's speaking schedule is being handled by his campaign manager, Mr. Murray Chotiner, we are forwarding your request to him for attention. Thanks for your deep interest in our cause."

# Republicans Lead In New Registrations

Since April 28, the day the registration books were opened following the primary election, 673 Adams Countyans have registered to be eligible to vote at the presidential election in November, the county election board said today.

The total includes 241 Republicans, 217 Democrats and 35 non-partisan voters, and includes both those who registered at the Court House and those registered during the last week by the traveling registrars.

At McSherrystown Saturday the registrars handled the largest group of the week, 28 Republicans, 72 Democrats and seven non-partisans, a total of 117 new voters.

The traveling registrars continued their tour of the county this week, with their visits to the various boroughs concluding on Saturday.

**TV AT YORK SOON**

The television station which WNOV of York has been authorized to build will become an affiliate of the Du Mont television network when the station is placed in operation within the next few months, E. # CHINESE MAKE LIGHT THRUSTS AGAINST ALLIES

SEOUL, Korea (AP)—U. N. infantrymen repulsed three light Chinese thrusts against Allied defenses in the Old Baldy and Bunker-Siberia Hill sectors today on the Korean Western Front.

Chinese soldiers showed continuing interest in the battle-scarred terrain won in recent weeks by U. S. troops in especially bitter fighting.

Clouds cut Allied air raids over North Korea after the U. S. Navy's spectacular strikes yesterday near the Manchurian and Siberian borders in which carrier planes blasted the Aoji refinery, Musan iron works and the big northeast port city of Chongjin.

The Navy said today the attacks were among "the most successful carried out thus far by Navy pilots."

Despite bad weather today, the U. S. Fifth Air Force reported that warplanes knocked out a Communist tank northwest of Chonwon. It was the first report of a Red tank being destroyed by planes since July 12.

**Bombers Pierce Clouds**

The U. S. Fifth Air Force said thick clouds, which lifted yesterday, closed in this morning over most North Korean targets. But fighter-bombers cut through the mist and hit Red supply areas behind the Western Front.

Twenty-two B26 bombers last night smashed the East Coast city of Sinchang and bomber crews reported 22 secondary explosions set off by their bomb loads.

Along the 155-mile battlefield there were brief but sharp patrol clashes.

The largest Chinese probe this morning was by a platoon — about 40 men — feeling out defenses of Old Baldy Hill, lying west of Chonwon. It was driven off in a flurry of gunfire.

**Habit-Forming**

MUNSAN, Korea (AP)—Communist truce negotiators again today quickly followed a U. N. announcement of a prisoner of war incident with a protest.

It was the third such note in four days—a strong indication that the Reds closely monitor Allied news broadcasts during the current recess in armistice talks.

The U. N. said yesterday that 16 captured Reds on Kojia Island were injured by guards quelling a demonstration Saturday. Another prisoner was found hanged, an apparent suicide, the U. N. added.

The truce talks—deadlocked over prisoner of war exchange—are scheduled to resume Thursday.

# Wedding

**McKenrick-Decker**

Miss Janet Marie Decker, daughter of Mr. and Mrs. Roy E. Decker, York Springs R. 2, became the bride of John Gilbert McKenrick, son of Mr. and Mrs. Gilbert McKenrick, 27 Hanover St., Saturday morning at 10:30 o'clock in the rectory of St. Francis Xavier Church. The Rev. Fr. Anthony F. Kane performed the double ring ceremony.

The bride was attired in a navy blue taffeta street-length dress, with navy and white accessories and a red rosebud corsage.

Theodore McKenrick Jr., Steinwehr Ave., and Mrs. Robert Decker, Hanover St., cousin and sister of the groom, were the attendants.

Mrs. Decker wore a navy blue tailored suit, with navy and white accessories with a yellow rosebud corsage.

Mrs. McKenrick graduated from Biglerville High School with the class of 1948 and is employed at the Dillsburg Shoe Co. Mr. McKenrick graduated from Gettysburg High School with the class of 1947 and is employed at the Fairfield Shoe Co.

The couple left immediately after the ceremony for Canada, and upon their return will reside in an apartment at 1 Hanover St.

**MISS CHAPMAN WEDS SATURDAY**

Miss Marie A. Chapman, daughter of Mr. and Mrs. Curtis Chapman, Orrtanna R. 1, became the bride of Melvin G. Wentz, son of Mrs. Mabel Wentz, Hanover R. 3, in a double-ring ceremony performed Saturday at 2 p.m. in St. Paul's Reformed Church, Westminster, by the pastor, the Rev. J. Edmund Lippy.

The couple was attended by Mr. and Mrs. Clark E. Wentz, Hanover, brother and sister-in-law of the bridegroom.

The bride wore a white street-length dress with corsage of red rosebuds.

A small family reception was held Saturday evening at the bridegroom's home. The couple will reside at 420 Broadway, Hanover.

The bride, who attended Gettysburg High School, is employed at the Hanover Shoe factory. Mr. Wentz is employed by the Beaudin Shoe Co., Hanover.

# Missing In Surfboard Stunt On Lake Erie

ERIE, Pa. (AP)—Coast guardsmen started an air-water-land search today for a former collegiate varsity swimmer who was reported missing several hours after he tried to cross Lake Erie on a surf board.

The missing man is Virgil Sayre, 25-year-old food salesman from Meadville.

Coast Guard patrol boats and tugs began a search after Sayre's family asked for aid. An airplane joined the hunt, hampered by overcast skies, and coast guardsmen in jeeps looked for his body on the beaches.

Sayre, captain of the Allegheny College swimming team for two years before his graduation in 1950, set out from Port Royal, Ont., at 9:45 a.m. yesterday. He expected to paddle across the lake—a distance of 35 miles—in 12 hours with only his hands as motive power. He was dressed in shorts and a shirt and for food took along some candy bars and honey.

**STOCKS STEADY**

NEW YORK (AP)—The stock market held steady today with trading light. Railroads pushed ahead for the most part while gold shares settled lower. Price changes were fractional in almost every case, and mostly smaller fractions at that. After the initial opening rush of orders, the tape idled.

Pushing ahead a bit with the railroads were motors, coppers and a few oils.

ready at all times to do this, without any reward to yourself.

"As long as we have men who recognize the necessity of free men to band together to help their fellow men, as long as we do this, we remain free."

Chief Dean told of recent developments in relation to the state fire school at Lewistown and the erection of a fire school building, and urged that individual fire companies make arrangements to send members to this school.

**Reports Are Presented**

Chief Wagner spoke briefly, mentioning also the value of the fire school. He said that John Murren, Adams County fire marshal, who attended last June, was made a fire captain at the school.

Reports were presented as follows: Radio committee, Roger Myers; year book, Edward G. Loeffel; treasurer, Mr. Loeffel; fire chiefs, Calvin Lerew, East Berlin; auditors, R. N. Eisenhart, Aspers. Officers were installed by Past President Wildasin.

The fire marshal's report for the past year showed 44 fires reported, with a loss of \$192,175 to buildings and \$64,710 to contents. He attributed to the new Fire Chiefs Association the fact that more fires are being reported than in past years, when reports of many fires were not transmitted to the fire marshal.

Murren said that of the fires reported, there was only \$120,000 in insurance on buildings and \$42,800 on contents. During the year 11 investigations were made and two prosecutions brought. Murren reported.

**Memorial Service Nov. 16**

Two chairmen were named by the new president, John Murren, fire prevention, and Paul Altoff, Littlestown, publicity. The 1953 convention will be held on Labor Day at Bon-neauville, and the annual firemen's memorial services on November 16, also at Bon-neauville. The committee named for the memorial services is composed of James Orndorff, Richard Neiderer and Raymond Staub, all of Bon-neauville.

A discussion was held on delinquent member companies of the county association, but further action was tabled until the next quarterly meeting at Bendersville. The annual convention opened at 10 a.m. in the New Oxford Community Fire Hall, where the afternoon session was also held. After the singing of "America," the invocation was given by the Rev. Robert Schiebel, chaplain, followed by addresses of welcome by Charles Eicholtz, Burgess Stewart Walker and Vernon Rife, president of the New Oxford Fire Co. Former Assemblyman Francis Worley was also a speaker. Dinner was served at noon in the fire house by members of the Ladies Auxiliary.

**Worth \$13,959**

The report of the auditors showed the association has a total net worth of \$13,959.03. The bank balance on July 25, 1951, was \$1,041.13 and receipts during the year were \$3,231.35, making a total of \$4,272.46. Expenses totaled \$2,887.90, leaving a balance July 15, 1952, of \$1,384.56. The association has \$10,500 in United States Savings Bonds, and \$2,953.87 in a savings account, the report showed.

A resolution was read on the death of Dr. Eugene Elgin, East Berlin, one of the organizers of the association and its first treasurer. Dr. Elgin died March 11, 1951. He was a member of the Liberty Fire Company No. 1 of East Berlin for many years.

Hogs 361, receipts light, yards reopened with trade resumed as normally, prices about steady. Sheep 451, receipts heavy, market slow, mostly common to medium grades.

## YANKS BOOST LEAGUE LEAD WITH CASTOFF

A Boston discard, Ray Scarborough, turned on his former teammates with a three-hitter as the New York Yankees defeated the Boston Red Sox 5-1 Monday night.

Scarborough's brilliant hurling was supported by a four-homerun barrage by the Yankees, two by Collins and one each by Berra and Noren. The victory hiked the Yankees' American League lead to two and one-half games over second-place Cleveland. Rain washed out the afternoon Labor Day double-header between the teams and it was agreed to play one game at night.

Cleveland divided a pair of games at St. Louis. Early Wynn gained credit for his 18th victory as the Indians won the opener 9-3. Easter and Westlake hammered homers for the winners while Vic Wertz poled two for the Browns. St. Louis won the second game 2-1, the game being halted by rain after five innings. Satchel Paige was the winner with Bob Lemon the loser.

**Athletics Divide**  
Carl Scheib delivered a 10th inning pinch single to drive home a run to give the Philadelphia Athletics a 9-8 victory over Washington in their opening game but was the loser in the second game 4-2 when Julio Moreno tossed a four-hitter at the A's.

Detroit and Chicago were rained out of their twin bill.

Six National League teams divided their holiday double-headers while Brooklyn and the Phillies were washed out of their engagements.

The second-place New York Giants remained nine games back of the front-running Dodgers by dividing with Boston. Max Lanier gave up but four hits as the Giants took the opener 4-1. However, a rookie, Ernie Johnson, scattered seven Giant safeties for a 5-1 win in the nightcap.

**Sauer, Kliner Homer**  
A grand-slam homerun by Hal Rice in the first inning of the opening game gave the St. Louis Cardinals a 6-0 win over Cincinnati and Mizell his ninth victory against six defeats. Cincinnati bounced back to take the second game 3-2 when Perkowski won a tight pitching duel from Haddix.

The Chicago Cubs blanked the Pittsburgh Pirates 6-0 in their opening game as Johnny Klipstein pitched a three-hitter. Pittsburgh took the second game 5-4 in 11 frames when Dutch Leonard, Cubs hurler, made a wild pitch to allow Bell to race home from third with the winning tally. Hank Sauer hit his 35th homerun in the first game while Ralph Kliner poled No. 31 in the nightcap.

## Eastern League

Rip Coleman's five-hit shutout of the Schenectady Blue Jays kept the Eastern League pennant fever burning, however faintly, in Binghamton today.

The lefthander struck out 11 batters last night, and the Triplets scored all their runs in the third inning to wrap up the game, 4-0. Binghamton now trails first place Albany by five games, with six contests left between the two clubs.

The Elmira Pioneers split a doubleheader with the Williamsport Tigers. Williamsport won its first game, 6-5, and the Pioneers took the second game, 9-1.

Other games were rained out.

## Hamilton Cardinals Win In Pony League

**By The Associated Press**  
The Hamilton Cardinals, a St. Louis Cardinals farm, are this year's pennant winners in the Pony League.

Hamilton clinched it yesterday morning when righthander Bill Nagel scattered 10 hits to shut out Batavia, 5-0 at Hamilton. Batavia came back to win a 21-7 decision last night, and Hamilton finished two games ahead of second place Jamestown.

Jamestown split a home and home doubleheader with Bradford, 8-1, and 2-12.

Olean won third place last night by sweeping a home and home doubleheader with Wellsville, 8-6, 6-3 and finished 12½ games back of first.

Hornell won its afternoon contest with Corning, but dropped a night game, 6-4.

**STATE ARCHERY CHAMPS NAMED**

STATE COLLEGE, Pa. (AP)—Ernest Lehmer, Harrisburg, and Mrs. Betty Gregg, Chester, are the new Pennsylvania state archery champions.

Lehmer defeated a strong field including E. Hill Turnock, Wilkesburg, 11-time former winner, to win the men's title here with 2,080 points.

The runnerup was Frank Spohnauer, Harrisburg, 2,055 points. Robert J. Smith, Bethlehem, placed third with 2,033.

Mrs. Gregg scored 2,327 points to outdistance Miss Carol Minehart, Pittsburgh, second, with 2,303 and Miss Julia Heagy, Lancaster, third, 2,288.

Although placing only third Miss Heagy set a new women's high individual American round record of 692 and a new double American round record by tallying 1,322.

Robert Gregg, Lancaster, son of the women's high point scorer, was the tourney's only double winner. He took the intermediate boys high scoring title with 1,933 points and the junior boys clout division title with 240.

The first synthetic yarn was spun in the United States in 1910.

In the lone Pen-Mar Baseball League game played Monday, Thurmont drubbed Emmitsburg 8-1 to retain a mathematical chance of tying Union Bridge for first place. Cashtown gained credit for a forfeit from Westminster while two other games were rained out.

Dr. D. Luther Beagle, Emmitsburg, league president, today urged all teams to play their postponements this week in order that the Shaughnessy playoffs may start next Sunday.

The first synthetic yarn was spun in the United States in 1910.

## CRAFTY ADMIRAL CHICAGO WINNER

CHICAGO (AP)—Crafty Admiral won the richest mile race in history, the \$172,400 Washington Park Handicap virtually to clinch the 1952 handicap division championship.

The four-year-old Fighting Fox colt carried the Chartran Stable colors to a two lengths victory over King Ranch's 2 to 1 favorite, To Market, in yesterday's muddy mile before 33,387 rain-drenched fans.

Crafty Admiral, with veteran Eric Guerin aboard, won \$119,900 to hike his earnings for the year to \$269,725 and forge ahead of William G. Helis Jr.'s Spartan Valor for the handicap crown.

**6th Stakes Victory**  
It was Crafty Admiral's sixth stakes victory of the year. In 15 starts he has finished out of the money only once.

Spartan Valor, year long leader in the handicap title race, could do no better than ninth in the 10 horse field.

Third place went to the only filly entered, Clarence Hartwick's Sickle's Image, one length behind To Market and a neck in front of K. G. Marshall's Coffee Money.

Eddie Arcaro, riding Mrs. Ada L. Rice's Pet Bully, failed in a shot for his 33rd stakes victory of the year. Pet Bully was fifth.

Crafty Admiral paid \$7.40, \$4 and \$3.20. To Market returned \$3.80 and Sickle's Image paid \$5.40.

The winner's time was 1:36 4-5.

**BULLETS OPEN PRACTICE WITH FULL TURNOUT**

All candidates invited to report for Gettysburg College's pre-season football drills showed up Monday. It was revealed by Coach Johnny Yoviesin today.

After undergoing physical examinations early Monday morning and being issued equipment, the 46 husky lads were sent through an hour's drill to wind up the morning's activities.

A two-hour drill was held in the afternoon which was followed by a "blackboard drill" in the evening in Glatfelter Hall.

The Bullets are scheduled to hold two drills daily until the opening of classes. Practices will be held from 9:15 to 11:15 a.m. and from 2:30 to 4:30 p.m.

Gettysburg's initial game is scheduled with the University of Delaware on Saturday evening, September 27, at Wilmington, Del.

## SQUIRES ADD GRID COACH

Eugene Bonelli of Mamaroneck, N. Y., yesterday was named assistant coach for all sports at Delone High School, the Rev. William R. Lyons, principal, announced.

Bonelli, 27, attended Mamaroneck School and Hackley Preparatory School, Tarrytown, N. Y., before matriculating at East Stroudsburg State Teachers' College, where he was graduated in 1951. He won letters in baseball, football and basketball at college.

Since his graduation, Bonelli has been serving as substitute teacher in Harrison, N. Y., as in Mamaroneck High School. He also was assistant football coach and scout at Mamaroneck.

Married and the father of four children, Bonelli will be a fulltime member of the faculty at Delone, teaching history and science.

Head football coach John McMahon began his grid job without the aid of an assistant, following the resignation of James Witmer of Hanover, who had served in that capacity for several years.

**Sink 2 Successive Hole-in-one Shots**

SHAWNEE-ON-DELAWARE, Pa. (AP)—Two successive holes-in-one were sunk on the par three 108-yard fifth hole at the Shawnee-on-Delaware Country Club course yesterday.

Frank Souchak, former All-America football player from the University of Pittsburgh, and Ira Gruber, of Pottstown, pulled off the unique double-ace stunt while warming up for the qualifying round of the Bill Watts Memorial Golf Tournament opening today.

Both used No. 9 irons. Souchak's drive hit on the wet green a foot from the cup and bounced in. Following him on the tee, Gruber lofted one that hit two feet from the cup and rolled home.

**Tickets On Sale For Heavyweight Bout**

PHILADELPHIA (AP)—A million dollars worth of tickets go on sale today for the world heavyweight title bout between champion Jersey Joe Walcott and Rocky Marciano at Municipal Stadium Sept. 23.

Swamped with a week's accumulation of orders from all parts of the nation, promoter Herman Taylor says he hopes to sell all of the 68,577 tickets. They have a face value of \$1,152,170, with reserved seats selling from \$10 to \$40 for a ringside spot.

The first—and last—million dollar gate at a Philadelphia fight event was the 1926 Jack Dempsey-Gene Tunney title battle, also staged in Municipal Stadium.

The current Geneva Convention, signed in 1949, requires a nation to give the enemy complete and accurate lists of prisoners of war taken.

retired and disabled veterans, 1,000,000 veterans' survivors; 4,500,000 old persons and widows and dependent children under the federal Old Age and Survivors' Insurance program, and 200,000 retired federal employees or their survivors.

An additional 10,500,000 persons draw checks from state and local governments—in considerable measure out of funds to which the federal government contributes. Many teachers and highway workers, for example, live in whole or in part off checks drawn on funds put up by the federal government under the highway construction and aid-to-education programs. Many others are paid under old age assistance or aid-to-the-blind programs in their states, to which the federal government is a heavy contributor.

Direct state and local government checks, or state and local checks drawn partly on federal funds, are being paid to approximately 4,200,000 employees of state and local governments; 2,700,000 persons are getting old age assistance; 2,100,000 persons under dependent children programs; 100,000 blind persons; 100,000 persons who are permanently and totally disabled; 1,100,000 persons receiving state unemployment insurance, and 300,000 persons getting state and local general assistance.

The Chamber's survey does not include the number of persons receiving checks under railroad retirement because this money is paid by the federal government from funds contributed by the railroads and their employees.

In 1933, only about one person in 25 received a regular check drawn directly on the U. S. Treasury, or from a state or local government, as compared with at least one in six today.

Today's Talk

LIVE ABUNDANTLY  
There is more to life than any one of us realizes. Only as we keep tapping it, here and there, and get as a response something vital and new that stirs our imagination, do we begin to live abundantly.  
Increasing interests are what stimulate and drive us ahead. We should be a part of the moving stream, not merely a spectator watching life move on. To be in things is what makes life worth while. To be a part of all that we have met, as Ulysses was, in Tennyson's poem, forever exploring and achieving.  
Live to the full — live abundantly! Keep giving something of yourself away. Keep learning from books, nature, and people. Keep adventuring — trying to find out, trying to discover. Nothing that God has created can be said to be insignificant. There is a reason for everything.  
Joy, love, sorrow, disappointment, defeat, victory — all are a part of the abundant life. It can never be "a bed of roses." We need all that God and Nature have bequeathed to us to live the abundant life. Happiness is not only a right, but a privilege. The more we dispense it the more we have! The busiest and most useful lives are the most successful and happiest.  
You can always spot the one who lives the abundant life. You see the evidence in the bright eye, in the healthy face, in the attitude of that one toward life in general. You see it in his smile and in his patient and attentive manner. You note him instantly as you pass him upon the street. He radiates. He casts a spell over people.  
Bob Davis, whom I knew and loved for many years, was an outstanding example of one who lived the abundant life. He was a great editor for the Munsey Company, who probably started more writers to fame than any man of his day. He was also a fine writer and reporter, having traveled to the four corners of the earth, leaving a happy memory wherever he went. And his friends were legion! For years he wrote a column, "Bob Davis Recalls," in the New York Sun. You couldn't be with him five minutes without learning something.  
Tomorrow Mr. Adams will talk on the subject: "Anthologies." Protected, 1952 by The George Matthews Adams Service

"Flying Circus" Thrills Crowds: Despite the cold and inclement weather of Saturday afternoon and inclement weather that threatened up to the hour of opening on Sunday afternoon, more than 7,000 persons witnessed the "Flying Circus" at the new Gettysburg Airport. Forney farm, Oak Ridge, Saturday and Sunday afternoons.  
On Saturday a fair sized crowd saw stunt-fliers pilot their big machines through the air at dizzy heights, sweeping, zooming, diving and spinning, marking the official opening of the new airport. The port is said by many to be one of the largest and best flying fields in this section of the country. The local field is considerably larger than Hoover Field, Washington, D. C., the largest commercial airport in the world.  
Chief Petty Officer A. C. Nold, of the Naval Air Station, Anacostia, D. C., was the chief stunt flier, with J. T. Clarke, of the same field, the daredevil parachute jumper of the U. S. Navy. F. H. Bushing, also of the same field, was a guest flier, and was eager to entertain a Gettysburg audience, but because of engine trouble refused to take his plane into the air.  
The local airport will operate daily with Lowell Harding in charge. Mr. Harding enjoys an enviable record attained during the world war when he received official credit for bringing down four German planes. He is in the naval reserve.  
Nellie Aumen Becomes Bride: Miss Nellie M. Aumen, daughter of Mr. and Mrs. Augustus B. Aumen, Hanover St., and Paul Smith, son of Mr. and Mrs. Steven W. The ceremony was performed by the Rev. Dr. Milton H. Valentine in the presence of the immediate families.  
Emmitsburg Girl Is Officer's Bride: A pretty home wedding with a military effect was solemnized in Emmitsburg Monday evening, at 8 o'clock at the home of Mrs. Fannie M. Harrison, in the presence of relatives and close friends.  
Miss Virginia Eyster was the bridesmaid and Raymond Matthews was the best man.  
25 Carloads of Peaches Shipped: Ten carloads of peaches were shipped from points along the Gettysburg and Harrisburg branch of the Reading Company Friday and fifteen carloads will be shipped today. Most of the peaches continue to be loaded at Biglerville.

SURGEONS TURN KNEE TISSUES INTO NEW EARS

By ALTON L. BLAKESLEE  
Associated Press Science Editor  
CHICAGO (AP)—New ears made from knees were described today to the International College of Surgeons.  
The ear is fashioned around a piece of cartilage, shaped like a half-moon, taken from a joint in the knee. It supplies a natural half-moon shape for the ear.  
The knee cartilage is obtained from knees lost through amputations, or taken during surgery to fix "trick" knees.  
Kept In Bone Bank  
The cartilage is quick-frozen and kept in a bone bank until the plastic surgeon needs it to build a new ear to replace one lost by accident or to give ears to children born without them.  
Skin is grafted around the cartilage to form the artificial ear.  
The cartilage supplies a soft, flexible, normal-feeling ear, said Dr. Leslie H. Backus, University of Buffalo Medical School.  
New ears also can be made from rib cartilage, or from things like ivory, rubber or plastics.  
None give perfect ears because of difficulties in grafting skin to give all the contours of an ear. The artificial ears are far better than none. They don't affect hearing, for ability to hear depends upon the inner ear.

Study Is Made Of Frogs Love-Making

HUNTINGTON, W. Va. (AP)—Among other things, a 10-year study of frogs has added a new word to the language of love-making.  
It's "nudging." That, according to Dr. N. Bayard Green, Marshall College zoologist, is how the Upland Chorus frog procreates. Many of the males, he found, are chaste, but not by choice. He said they just don't get a tumble from the females, who do the courting on their own.  
And that croak may simply fail to attract her when boy frog meets girl frog. She always gets her man anyway because there are more "hims" than "hers."  
During his long studies Green observed some 6,000 frogs. For that he got a doctor's degree this summer at Ohio State University.

sermon at the Mennonite Church.  
For the coming year the enrollment of Johnson Bible College will be nearly 150 students.  
Personal Mention: Mr. and Mrs. Dorsey Dougherty left Thursday for a boat-trip to Porto Rico. They expect to be away about three weeks.  
Miss Margaret Major, Harrisburg road, has returned from two months travel in Europe.  
Mrs. Margaret English left Wednesday for New Mexico, where she has accepted a position as teacher in a government Indian school.

New York Boasts Its Own Cowboy

NEW YORK (AP) — Harry (Hopalong) Abramowitz is probably the last cowboy in the Bronx section of New York.  
His "ranch" is scattered all over the borough. In a three-story stable he keeps 43 horses, 12 goats and a dog. On five lots he has a rare assortment of wagons of all sorts — covered wagons, buckboards, surreys, tallyhos, victorias and barouches.  
The 64-year-old "cowboy" rents his equipment to advertise bond, rallies, movies, parades, political candidates and commercial products. He began his collection in 1910 when he bought 64 carriages from a member of the Vanderbilt family for a total price of \$50.

# STATE'S DEATH TOLL FOR LABOR DAY TOTALS 27

By The Associated Press  
Pennsylvania's reported holiday death toll stood at 27 today for the Labor Day week end.

Twenty-one persons died in highway mishaps in the three-day period, two others drowned, and four died in miscellaneous accidents.

The greatest number to die in any one traffic wreck was four. The accident occurred when a truck and auto collided head-on near Moreheadsville, Erie County. The dead were John F. Schmidt, 19, and Donald R. Dumond, 19, both of North East, who were in the car; and Raymond P. Brown, Jr., 23, and his wife, Thelma, 23, of Sugar Grove, the truck's occupants.

## Falls From Bridge

Other casualties:  
I. J. Merriman, 35, Fairview, O., in a truck crash near Washington, Pa.

Homer A. Hockenburger, 10, Verona, in a truck that overturned near Saxenburg.

Mrs. Virginia Watson, 28, Edgewood, Md., in a three-car crash near Uniontown.

# MAJOR FOES CAMPAIGNING MILES APART

By The Associated Press

The vice presidential candidates campaigned a continent apart today — Sen. John J. Sparkman of Alabama, the Democratic nominee, in Southern California and Sen. Richard M. Nixon of California, the GOP candidate, near the rock-bound shores of Maine.

Today he continues his Southern California swing.

Nixon told a Boston news conference yesterday that Stevenson has "fallen hook, line and sinker for the line" of CIO leaders. He said he saw nothing in Stevenson's Labor Day address which CIO bosses could not have approved.

Nixon headed for Maine today to confer with Gov. Frederick Payne at Waterville, attend a GOP conference at Belgrade Lakes, and to speak at Skowegan, Pittsfield, and at a Bangor Rally.

## Voting In 2 States

There was voting in Nevada and Louisiana today.

Nevada names nominees to the U. S. Senate and the House of Representatives in a state primary.

In Louisiana, voters in two congressional districts elect two U. S. representatives. Among the contestants is Dr. George S. Long, brother of the late Sen. Huey P. Long.

There were these other political developments:

The Republican National Committee said it has received reports that over 2,600 full-time government press agents are being used to aid the Democratic party's elec-

# SOME LEADERS FEAR ADLAI IS "RUNNING LOW"

By JAMES MARLOW

WASHINGTON (P)—Some of the professional Democratic politicians are reportedly worried that Gov. Stevenson may use up his ammunition too fast.

Their thinking seems to go like this:

If he spells out in detail his position on all the issues too early in the campaign, which opened yesterday, by the end of the campaign he'll sound like a scratched phonograph record repeating himself.

But this seems to be a hazard he faces only if his ideas are so limited, and the issues so few, that all he has to say can be said in the first few weeks.

## Is Better Known

Running out of something to say is a fate which seldom overtakes a politician, and Gov. Stevenson has had some political experience.

Since Gen. Eisenhower is so much better known than he is, Stevenson may feel it's necessary to start shooting with both barrels early to get attention.

He may also feel that since he's running for the presidency, he has an obligation to make his position clear and that's the only way he'd want to run.

Some of the people around Eisenhower have indicated that the general is pacing himself, that he aims to pick up steam as he goes along and have plenty of socko left for the windup.

## Another Hazard

There is a hazard in this strategy, too, of course. If Stevenson states his position on the main issues early and Eisenhower later comes along and takes a similar stand, the Democrats are a cinch to tag him with "me, too."

The fact that men in both camps are discussing whether the candidates should lay it on the line on all the issues early is pretty good evidence they haven't laid much on the line yet.

About the most definite thing either of them has said so far was Stevenson's Detroit speech yesterday. He flatly suggested wiping out the Taft-Hartley Act and replacing it with a milder labor law.

This was the real campaign opener, Eisenhower gets under way today with speeches in the South.

## Have Two Choices

In Texas, U. S. senatorial nominee Price Daniel told voters they must choose between the state Democratic party and the national Democratic party.

The Constitution Party lost through resignations its national chairman, Mrs. Suzanne S. Stevenson, and its co-chairman, Percy L. Greaves Jr., because, Mrs. Stevenson said, some of the party members made statements that sounded anti-Semitic.

Secretary of Agriculture Charles F. Brannan, speaking in Vinon, Ia., said yesterday that the farm price support program is "the crux of the political campaign this year, the same as it was four years ago." He said regardless of what Republicans say, their platform doesn't indicate "equality for farmers."

# CARSWELL AF BASE WRECKED BY WINDSTORM

FT. WORTH, Tex. (P)—Carswell Air Force Base was a twisted wreckage today after a windstorm last night took a multimillion-dollar swipe at America's long-range aerial striking power.

One three-million-dollar B36 bomber was destroyed, six others received major damage and several others were damaged to an undetermined extent. Two airmen were slightly injured.

A civilian, Mrs. W. C. Connor, 44, was killed when her automobile was struck by a sign board blown down by the storm. Ten other civilians in the vicinity were reported hurt.

## 25 Per Cent Damage

Capt. Burton Wilder, base public information officer, said several buildings suffered "severe damage" when the winds struck shortly before dark.

Maj. Gen. Samuel E. Anderson, commanding general of the Eighth Air Force, estimated damage to planes at the base at 25 per cent.

The B36, which has been called America's "atom bomb carrier," is the Air force's largest, longest-ranged bomber in service and was designed to carry 10,000 pounds of bombs on a 10,000-mile mission.

## 90 M.P.H. Winds

Also damaged as the 90-mile-per-hour winds struck the vicinity was the plant of Consolidated Vultee Aircraft Corp., which manufactures the huge six-engine intercontinental B36s.

Aircraft plant officials said power was disrupted and extensive damage done to service docks at which the big planes are serviced.

Wind blew the tail from one of the giant bombers and left it shattered in a ditch. Others were strewn about the ramps and taxiways of the base.

# MARGARET SAYS FATHER MADE OWN DECISION

NEW YORK (P)—Miss Margaret Truman said today that neither she nor her mother had anything to do with President Truman's decision not to run for reelection.

Asked as she returned aboard the liner United States from a two-months tour of 11 European countries about reports that she and her mother influenced the President's decision, Miss Truman replied:

"That's absolutely untrue. It was his decision and his alone. We had nothing to do with it."

She was greeted by Mrs. Truman and then talked alone with reporters.

Concerning Swedish newspaper criticism of U. S. secret service interference in policing her visit to Sweden, Miss Truman said: "I thought it was much ado about nothing. It really didn't happen. There was no incident."

She said that the two secret service men who accompanied her on the trip were "nice guys, and they have a job to do."

She said she planned to spend the fall in New York because of her television work, adding that she

## STEVENSON HAS TAKEN STAND ON FOUR BIG ISSUES

By REILMAN MORIN

SPRINGFIELD, Ill. (AP)—Gov. Adlai Stevenson said today he is "very well satisfied" with the results of his sweep through the industrial centers of Michigan and the reactions to his stated position on the whole field of labor-management legislation.

Back in his office today, Stevenson started work on his next major effort—a statement of policy on a farm program.

He leaves Friday for Denver, then goes to the National Plowing Contest at Kasson, Minn., where he is expected to speak as fully on agriculture as he did yesterday on labor.

### Takes Stand On 4 Issues

The Democratic candidate for president has now laid the groundwork of his position on at least four of the big issues in the present campaign. He has spoken out, at length, on foreign policy, civil rights legislation, Sen. Joseph McCarthy of Wisconsin and labor-management relations.

In Michigan yesterday, he talked mainly about labor and about foreign policy. He delivered four speeches in a single day. He had a fifth in his briefcase, and he started to deliver it at Pontiac, when a swishing summer rainstorm drove him and his audience to cover.

The high point came in Cadillac Square, in Detroit, where he denounced the Taft-Hartley Act as "biased and politically inspired" and said it should be written off the books.

### Talks Foreign Policy

He talked foreign policy in Grand Rapids, home of the late Sen. Arthur Vandenberg, chairman of the Senate Foreign Relations Committee in the 80th Congress. Again in Hamtramck, a separate island-community inside Detroit, with a heavy Polish-American population, the governor's subject was foreign relations.

He took issue in Hamtramck with Gen. Dwight Eisenhower's recent speech in which the Republican candidate came out for a warning to the Soviet Union.

The Pontiac speech—if he had given it—would have dealt with labor and management. And the Flint speech was a general discussion of Republicans versus Democrats; that is, his version of their separate policies and what the Democrats have done in the past 20 years.

### Truman's Crowds Bigger

At the end of the long, wearing day, Stevenson told correspondents it was "all good."

He said he was satisfied with the size of the crowds, their responsiveness and the comments of the people who accompanied him.

Police estimated the Cadillac Square crowd yesterday at about 15,000. Correspondents said Truman drew nearly 50,000 people four years ago. Grand Rapids police gauged the crowd there at 10,000 although the figure looked high to newsmen. They said the President

How many fraternal, civic and other organizations are in Adams County? The Gettysburg Times would like to know.

A conservative estimate places the number of such organizations at near 200.

As one of the features of the forthcoming Golden Anniversary edition of The Gettysburg Times the names of all the organizations and their officers will be published. This has never been done before and its publication is certain to attract considerable interest.

attracted double that many in 1948.

### Blames TV

Wilson Wyatt, campaign manager for Stevenson, said he thought television might be the explanation for the smaller crowds.

Stevenson's speeches were highly literary in quality. But standing in the crowd, you detected a certain note of uncertainty among the listeners.

They seemed puzzled when he referred to Eisenhower as "my very distinguished opponent," and said, "My opponent is an honorable man." At Hamtramck, the governor charitably remarked of Eisenhower and apparently of John Foster Dulles: "I hope that recent statements by him and his advisers have been misunderstood."

In short, he did not serve up the straight all-black-and-all-white descriptions that American listeners have come to expect from political candidates.

### Ex-Police Officer Becomes Preacher

He has just become the Rev. Haney, pastor of Lawn Terrace Baptist Church in Mineral Wells. He has been a member of the police force for the last nine months while serving as part-time pastor of another church. He is married and has a 4-month-old daughter.

## AUSTRIAN MOB ATTACKS YANKS

VIENNA, Austria (AP)—The U. S. Army has disclosed that several hundred Austrians attacked a U. S. Army sergeant and his wife Saturday night, overturning their automobile and inflicting facial injuries on them.

Anti-Americanism has smoldered for some time in Salzburg, famous music festival city and headquarters for U. S. forces in Austria. The Austrians are especially enraged at the Army's recent decision to build a tank proving ground within the city limits in defiance of a town council protest.

Army officials said the crowd attacked Sgt. William G. Pennel, of Turon, Kan., and his wife, Edwina, after the sergeant drove his car, honking the horn, through a crowd of Austrians coming out of a movie theater. The crowd mobbed the couple as they were parking in front of their home.

An Austrian policeman restrained Pennel from using his rifle on the crowd and the couple took refuge in their yard. American and Austrian police then dispersed the mob.

## 660 Foreigners In Indian Service

NEW DELHI (AP)—A total of 660 foreigners, mainly British, are serving in various capacities in India's civil and military services, an official spokesman said in Parliament. Most of them are under contract for short periods and will leave when sufficiently-trained Indian replacements can be obtained.

### 'GIANT' EQUIPMENT FOUND

BURNABY, Canada (AP)—Seeming evidence that giants once inhabited British Columbia has been found by W. E. and E. M. Norman, a father and son geology team here. In a 30-year-search of their two-acre plot they found weapons only supermen could use—200 to 300-pound granite axes, huge belt axes, knife-handles and spears.

## Emmitsburg SCHOOLS WILL OPEN SEPT. 8

Emmitsburg High School and the elementary school will open the new year on Monday, Sept. 8. Prof. Arvin P. Jones announced that the enrollment will reach about 168, approximately 15 more pupils than last year.

Mrs. Doris S. Ziebell, Gettysburg, has been added to the faculty. The former Miss Helen Neighbours, who taught last year in the high school, will be replaced this year.

A meeting of the committees in charge of the fourth annual Horse Show was held last week with Robert E. Daugherty, general chairman, presiding. Preston W. Howard, Hagerstown, who has marshaled the show as ringmaster since its origination four years ago, will again preside this year.

The show, under the sponsorship of the Lions Club, is for the benefit of the Child Welfare Fund. It will be held at the Emmitt Gardens, about a mile east of town on Route 32, on Sunday, September 21, and will get under way at 11 a.m. Food and refreshments will be on sale at the grounds.

Mr. and Mrs. William L. Topper and son, Tommy, moved on Monday from the Harner apartment which they occupied for several years to the property formerly occupied by William Kelly and family, on East Main St.

Mr. and Mrs. Louis Rosensteel are vacationing this week in Atlantic City.

Mr. and Mrs. Rodgers Topper, Mt. Airy, visited in town on Sunday evening.

Gene Rosensteel, U. S. Navy, stationed at Norfolk, Va., spent the

week end with his wife and parents, Mr. and Mrs. George Rosensteel, Mary Kessler, Seton Institute, Reisterstown Road, Baltimore, visited with her parents, Mr. and Mrs. James Kessler, over the week end.

### Personal Mention

Vivian Warthen, student nurse at St. Agnes' School of Nursing, Baltimore, visited over the week end with her parents, Mr. and Mrs. Rudolph Warthen.

Catherine Shorb, a WAVE in the U. S. Navy, is visiting with her parents, Mr. and Mrs. Alvey Shorb. Mr. and Mrs. Charles Gutshall and daughter, Vickie, of Waynesboro, spent Sunday with Mrs. Gutshall's mother, Mrs. Maude Harbaugh.

First Lieut. and Mrs. John M. Baker, Quantico, Va., spent the week end with Mrs. Baker's parents, Mr. and Mrs. Tyson Welty.

Jack McClellan, U. S. Navy, visited with his parents, Mr. and Mrs. William McClellan, over the week end.

Roy Hartdagen, Baltimore, was a guest at the home of his brother and sister-in-law and family, Mr. and Mrs. Vincent Hartdagen, over the week end.

### FINISH UN HALL

UNITED NATIONS, N. Y. (AP)—Workmen are putting final touches on an odd-looking building which soon will become one of New York's leading show places.

This is the General Assembly Hall, third and last unit of the glittering U. N. headquarters along the city's East River.

# IKE CUTS LOOSE WITH ATTACK ON MESS IN CAPITAL

By The Associated Press  
ATLANTA (AP) — Gen. Dwight D. Eisenhower today called the Democratic administration a mess of corruption and scandal and demanded "a wholesale clean-out of the political losses in Washington."

The Republican presidential nominee cut loose at the Truman regime in earnest for the first time in an address prepared to open a flying Southern campaign tour.

"A refreshing" is not what we need," said Eisenhower.

"Too Long In Power"

"A face-lifting job won't do it either," he added. "What the Washington mess must have is the full treatment."

Eisenhower said corruption and scandal were brewed by "too many men who are too small for their jobs, too big for their breeches and too long in power."

He said a wholesale clean-out was needed to restore decency, honesty and integrity to the national government.

"A Top To Bottom Mess"

"This Washington mess," he said, "is not a one-agency mess or a one-bureau mess or a one-department mess — it is a top-to-bottom mess."

The general declared it was enough to make Americans "hang our heads in shame."

The tone of the speech fulfilled advance word from his regional campaign headquarters in New York that he would "pull no punches" on his Dixie trip.

Broadside Planned

Some of his warmest admirers had complained that Eisenhower's campaigning was too soft. The general's aides said, however, that he had planned deliberately not to fire his ammunition too soon.

He said the cost of the "Washington mess" was being taken out of every American through higher taxes, higher prices and by "cut-

ting down the value of every dollar you have put away for the future."

"You pay for the incompetence, stupidity and corruption on the part of those who have been caught and those who have not been caught," Eisenhower said.

Cites Waste

He said newspapers reported that "we are getting two airfields in North Africa for the price of five" and that the papers carried countless other items concerning waste.

The general asserted:

"If you are as sick and tired of all this as I am; if you are as tired as I am of picking up your newspaper every morning and reading about a fresh government scandal, then let's get together and restore decency and honesty and integrity in the nation's capital."

Eisenhower said he had been hearing "the wild exultance of the rebel yell."

To Identify Attack

"They are hearing it in Washington, too," he said. "and they don't like it. They like voters who follow orders."

In assailing the administration in his speech here, the general promised to unleash still more artillery—and soon. He said: "Today and tomorrow, here in the Southland, I shall intensify my attack against corruption in government; against the heedless policies that nullify our thrust and erase our savings by inflation; against federal deficits and the failure to live within our means; against waste of resources and our money; against arbitrary usurpation and seizure of power; against disloyalty in the federal service; against the whole tangled aggregation of incompetence and expediency and bossdom."

Talks With Williams

Eisenhower is due to visit Jacksonville and Miami, Fla., later today and Tampa, Fla.; Birmingham Ala., and Little Rock, Ark., tomorrow.

One of his last callers in New York before a plane trip south was Sen. John J. Williams, Delaware Republican who uncovered tax scandals in the Internal Revenue Bureau.

Williams arrived at Eisenhower's office in the Hotel Commodore

# TRUMAN STIRS CROWD MONDAY AT MILWAUKEE

ABOARD TRUMAN TRAIN (AP)—President Truman gave every outward indication today he is satisfied with Adlai Stevenson's campaign program as he intensified his whistle stop stumping for the new Democratic nominee.

And his disclosure of a joint strategy for speechmaking supported claims of his aides that

Kansas Democratic leader had solicited 100 campaign contributions from mail carriers under a hint that a Republican administration might fire them.

Carlson named Kenneth T. Anderson, Democratic national committeeman from Kansas, as author of the letter.

there has been full consultation and co-ordination between the President and nominee on what they will say.

Truman demonstrated his ability to stir up campaign crowds again last night at Milwaukee when he was interrupted 46 times at a labor rally where he described Gen. Dwight D. Eisenhower as the "lonely, captive candidate" of Republican "special interests" trying to "hide behind a new face."

He called for the defeat of Republican Sen. Joseph R. McCarthy

and replied to GOP demands for a change at Washington by saying:

"It is time for a change from the big life—from the brazen Republican efforts to falsify history, to smear and ruin innocent individuals, to trample the basic liberties of American people."

The '52 Ford is the very first car to bring you so much style, so much comfort and so much power for so little money!

While other makers talk dream cars, Ford is selling theirs . . . and all America loves them!

Why drive in the past when all the newest in automobiles can be yours in a '52 Ford? You'll have the Ford's new Full-Circle Visibility, with a huge, curved one-piece windshield and car-wide rear window (16% more visibility than any other low-priced car). You'll have the sleekest, smartest body in the low-price field. And you'll have the convenience of suspended pedals and new Center-Fill Fueling.

## THE KIND OF PARKING YOU'VE ALWAYS DREAMED ABOUT!

You can park on a "dime" with Ford's new easier steering, and smaller turning radius. It makes all handling a treat . . . less tiring.

## A RIDE THAT'S A CLOUD-PADDED DREAM!

You'll whisk around the curves with hardly any "heeling." You'll glide over the bumps with scarcely a bounce. Ford's New Automatic Ride Control teams up a new, lower center of gravity . . . new, wider front tread . . . and features like Ford's new diagonally mounted rear shock absorbers.

## NEW POWER THAT'S A DREAM, TOO!

Ford's 110-h.p. Strato-Star V-8 is the most powerful high-compression engine in its field. Ford's 101-h.p. Mileage Maker Six is the only all-new high-compression, low-friction Six in any low-priced car.

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.
